I Can See Clearly Now

Johnny Nash

I can see clearly now the rain is gone
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright)
Bright (bright) sunshiny day
It's gonna be a bright (bright)
Bright (bright) sunshiny day

Oh, yes I can make it now the pain is gone
All of the bad feelings have disappeared
Here is that rainbow I've been praying for
It's gonna be a bright (bright)
Bright (bright) sunshiny day

Look all around, there's nothing but blue skies
Look straight ahead, there's nothing but blue skies

I can see clearly now the rain is gone
I can see all obstacles in my way
Here is that rainbow I've been praying for
It's gonna be a bright (bright)
Bright (bright) sunshiny day
It's gonna be a bright (bright)
Bright (bright) sunshiny day

Let It Be

John Lennon & Paul McCartney

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom
Let it be

And when the broken-hearted people
Living in the world agree
There will be an answer, let it be
For though they may be parted there is
Still a chance that they will see
There will be an answer, let it be

Let it be, let it be, let it be, let it be
There will be an answer
Let it be

BAND SOLO

Let it be, let it be, let it be, let it be
Whisper words of wisdom
Let it be

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow, let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be
There will be an answer
Let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom
Let it be

Ain't No Mountain High Enough

Nickolas Ashford & Valerie Simpson

Listen, baby,
Ain't no mountain high
Ain't no valley low
Ain't no river wide enough, baby

If you need me, call me, no matter where you are
No matter how far, baby
Just call my name, I'll be there in a hurry
You don't have to worry, 'cause baby, there

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Remember the day I set you free
I told you, you could always count on me, and from that day
on, I made a vow, I'll be there when you
Want me some way, some how, 'cause baby, there

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

No wind, no rain
Or winter's cold can stop me, no, no baby,
'Cause you are my goal
[If you're ever in trouble, I'll be there on the double, Just send for me]

oh baby
My love is alive, way down in my heart
Although we are miles apart, If you ever
need a helping hand, I'll be there on the
double just as fast as I can, don't you know that there

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Ain't no mountain high enough, ain't no valley low enough, ain't no river wide enough
Ain't no mountain high enough, ain't no valley low enough, ain't no river wide enough

Listen to the Music

Tom Johnston

Don't you feel it growing, day by day
People getting ready for the news
Some are happy, some are sad
Whoa, gotta let the music play

What the people need is a way to make 'em smile
It ain't so hard to do if you know how
Gotta get a message, get it on through
Oh, now mamma don't you ask me why

Whoa, oh listen to the music
Whoa, oh listen to the music
Whoa, oh listen to the music
All the time

Well I know, you know baby, everything I say
Meet me in the country for a day
We'll be happy, and we'll dance
Oh, we're gonna dance our blues away

And if I'm feeling good to you and you're feeling good to me
There ain't nothing we can't do or say
Feeling good, feeling fine
Oh, baby, let the music play

Whoa, oh listen to the music
Whoa, oh listen to the music
Whoa, oh listen to the music
All the time

Like a lazy flowing river
Surrounding castles in the sky
And the crowd is growing bigger
Listening for the happy sounds
And I got to let them fly

Whoa, oh listen to the music
Whoa, oh listen to the music
Whoa, oh listen to the music
All the time
[repeat chorus]

Stand By Me

Ben E. King, Jerry Lieber, Mike Stoller

When the night, has come
And the land is dark
And the moon, is the only, light we'll see
No I won't, be afraid
No I won't, be afraid
Just as long, as you stand, stand by me

So darlin', darlin' stand, by me
Oh-oh stand by me
Oh stand, stand by me, stand by me

If the sky, that we look upon, should tumble and fall
Or the mountains, should crumble, to the sea
I won't cry, I won't cry, no-no-no I won't shed a tear
Just as long, as you stand, by me

So darlin', darlin' stand, by me
Oh-oh-oh, stand, by me
Stand by me, stand by me, stand by me

BAND SOLO

So darlin', darlin' stand, by me
Oh-oh-oh, stand, by me
Stand by me, stand by me, stand by me

So darlin', darlin' stand, by me
Oh-oh-oh, stand, by me
Stand by me, stand by me, stand by me [3x tag]

Takin' Care of Business

Randy Bachman

You get up every morning from your 'larm clock's warning
Take the 8:15 into the city
There's a whistle up above and people pushin', people shovin'
And the girls who try to look pretty

And if your train's on time, you can get to work by nine
And start your slavin' job to get your pay
If you ever get annoyed, look at me I'm self-employed
I love to work at nothing all day

And I'll be takin' care of business (every day)
Takin' care of business (every way)
I've been takin' care of business (it's all mine)
Takin' care of business and working overtime, work out

It's as easy as fishin' you could be a musician
If you could make sounds loud or mellow
Get a second-hand guitar, chances are you'll go far
If you get in with the right bunch of fellows

People see you having fun just a-lying in the sun
Tell them that you like it this way
It's the work that we avoid, and we're all self-employed
We love to work at nothin' all day

And we'll be takin' care of business (every day)
Takin' care of business (every way)
We'll be been takin' care of business (it's all mine)
Takin' care of business and working overtime

BAND SOLO

Takin' care of business (every day)
Takin' care of business (every way)
Takin' care of business (it's all mine)
Takin' care of business and working overtime

Takin' care of business
Takin' care of business
Takin' care of business
Takin' care of business

With A Little Help From My Friends

John Lennon & Paul McCartney

What would you think if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends ••••

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?

No, I get by with a little help from my friends
Mm, get high with a little help from my friends
Mm, gonna try with a little help from my friends

Do you need anybody?
I need somebody to love
Could it be anybody?
I want somebody to love

BAND SOLO [chorus changes]

Would you believe in a love at first sight?
Yes, I'm certain that it happens all the time
What do you see when you turn out the light?
I can't tell you, but I know it's mine

Oh, I get by with a little help from my friends
Mm, gonna try with a little help from my friends
Oh, I get high with a little help from my friends
Yes, I get by with a little help from my friends, with a little help from my friends————

Fly Like An Eagle

Steve Miller

Time keeps on slippin', slippin', slippin' into the future
Time keeps on slippin', slippin', slippin' into the future

I wanna fly like an eagle to the sea
Fly like an eagle, let my spirit carry me
I want to fly like an eagle 'til I'm free
Fly through the revolution

Feed the babies
Who don't have enough to eat
Shoe the children
With no shoes on their feet
House the people
Livin' in the street
Oh, oh, there's a solution

I wanna fly like an eagle to the sea
Fly like an eagle, let my spirit carry me
I want to fly like an eagle 'til I'm free
Fly through the revolution

BAND SOLO [8]

Time keeps on slippin', slippin', slippin' into the future
Time keeps on slippin', slippin', slippin' into the future

I wanna fly like an eagle to the sea
Fly like an eagle, let my spirit carry me
I want to fly like an eagle 'til I'm free
Fly through the revolution

Time keeps on slippin', slippin', slippin' into the future
Time keeps on slippin', slippin', slippin' into the future
Time keeps on slippin', slippin', slippin' into the future
Time keeps on slippin', slippin', slippin' into the future

I Still Haven't Found What I'm Looking For

U2 & Bono

I have climbed highest mountains
I have run through the fields
Only to be with you
Only to be with you

I have run
I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing fingertips
It burned like fire
This burning desire

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

BAND SOLO [16]

I believe in the kingdom come
Then all the colors will bleed into one
Bleed into one
But yes I'm still running

You broke the bonds
And you loosed the chains
Carried the cross
Of my shame
Of my shame
You know I believe it

But I still haven't found what I'm looking for [3x]
But I still haven't found————— what I'm looking for

The 59th Street Bridge Song
(Feelin' Groovy)
Paul Simon

Slow down, you move too fast
You got to make the morning last
Just kicking down the cobblestones
Looking for fun and feeling groovy
Ba da-da da-da da-da, feeling groovy

Hello lamppost, what'cha knowing
I've come to watch your flowers growin'
Ain't you got no rhymes for me?
Doot-n-doo-doo, feeling groovy
Ba da-da da-da da-da, feeling groovy

I got no deeds to do, no promises to keep
I'm dappled and drowsy and ready to sleep
Let the morningtime drop all its petals on me
Life, I love you, all is groovy

BAND SOLO

I got no deeds to do, no promises to keep
I'm dappled and drowsy and ready to sleep
Let the morningtime drop all its petals on me
Life, I love you, all is groovy
Ba da-da da-da da-da, feeling groovy
Ba da-da da-da da-da, feeling groovy
Ba da-da da-da da-da, feeling groovy

Lean On Me

Bill Withers [1/2 intro]

Sometimes in our lives we all have pain, we all have sorrow
But if we are wise, we know that there's always tomorrow

Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on...
For it won't be long... 'til I'm gonna need somebody to lean on

Please swallow your pride if I have things you need to borrow
For no one can fill those of your needs that you won't let show

Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on...
For it won't be long... 'til I'm gonna need somebody to lean on

You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

[BSP omits 3rd verse]

Call me call me call me etc end
